# 1 PC-less productivity

## Remote access

Access every business app, document and even intranet links with seamless remote access* through Smart Monitor.

*Windows 10 Pro, Mac OS 10.5, or higher, and compatible network settings are required for remote access. Windows 10 Pro is an operating system and Windows is a trademark/ registered trademark of Microsoft Corporation.
Mac OS 10.5 is an operating system of Apple Inc. & Mac OS is a trademark/ registered trademark of Apple Inc.

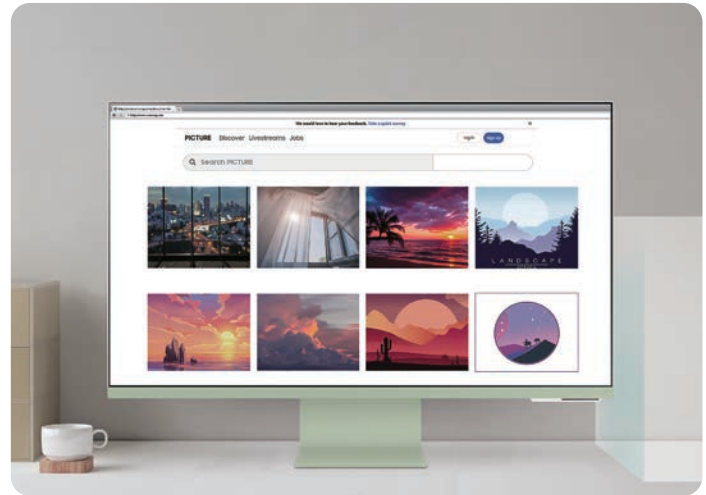

## Internet without a PC

Smart Monitor's  built-in Internet browser gets you online in an instant with Tizen operating system.

On-screen content simulated for representational purposes only.

## SlimFit camera

The magnetic SlimFit camera* with ingenious detachable design, creates a perfect angle during video calls.

Image simulated, for representational purposes only. *Camera accessory must be purchased separately for M7 and M5. Camera is available with M8.

## Workspace

For seamless working, use Microsoft 365** programs and even connect to mobile* devices with Samsung DeX.

*Wireless DeX supported on selected Galaxy Note and Galaxy Tab devices.
**Microsoft Office 365 , Microsoft Teams and Windows are trademark/ registered trademark of Microsoft Corporation.

Images simulated.

# ❷ Smart TV Experience with built-in streaming apps

## Content applications

Enjoy Netflix, YouTube and other streaming apps* in 4K HDR by simply connecting the monitor to Wi-Fi.

*App availability may vary by country and separate subscription and internet connectivity may be required. Requires internet connection and TV tuner is not included.
YouTube is a trademark/ registered trademark of Google LLC.
Netflix is a trademark/ registered trademark of Netflix, Inc.

## Samsung TV Plus

Samsung  TV Plus* provides a variety of free live and on-demand content with no downloads or  sign-ups.

*Samsung TV Plus may not be available in some regions.

## Universal Guide

Universal Guide  provides a wide range of broadcast and streaming content across app platforms based on your preference.

Universal Guide feature availability varies by region. User must consent to the collection  of personal information in order to enable the functionality.

## Built-in speakers

Featuring  upgraded Adaptive Sound+, sound output adjusts based on  content type and noise levels.

Product specifications may vary by model.

## 3 Elevate your setup

### Iconic slim design

With 11.4mm thickness and a sleek flat back design, M8 provides to create your ideal setup.

### Ergonomic stand

With the height adjustable  stand and tilt functionality, you can position M8 customised to your needs.

Image simulated, for representational purposes only. HAS stand only available in M8.

Warm White

Spring Green

Sunset Pink

Daylight Blue

## Flavorful colour options

Choose a colour* that suits your style. Available in four different colours to brighten up your space.

*Product colour availability may vary by country. Colours as per the availability.

## 4 Hub for your home, from any room

### IoT Hub

Turn your Smart Monitor into a control center for the home by connecting it to your IoT home products with SmartThings.

Available technology, functions and features may vary by country, service provider, network environment or product, and are subject to change without notice. Requires a Wi-Fi, Bluetooth or other wireless network connection and devices registered to SmartThings app. A separate SmartThings Dongle is required to connect to Zigbee devices. (Connection to Z-Wave device is not supported). Connected devices are sold separately. For full compatible device list, please check https://www.smartthings.com/products. IoT stands for Internet of Things. Depends on device compatibility. Bixby Voice commands recognise English (US/UK), French, Spanish, German, Italian, Chinese and Korean. Not all accents, dialects and expressions are recognised.

# Gaming Monitor

# Go beyond with Odyssey

# 1 Personal gaming theater

## Mesmerising visual quality

The AI enhanced 4K cinematic experience ensures that you don't just play the game, you live it.

## Signature curved screen

The impressive 1m 38.8cm (55) large screen with 1000R curvature wraps around your field of vision and provides complete immersion.

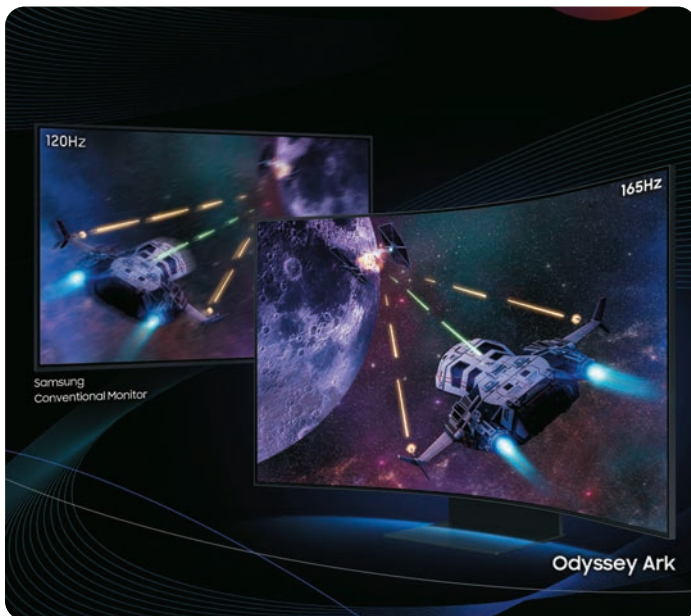

## Quantum Matrix Technology

The exceptional clarity and unrivaled depth of the visuals will present you a gaming world that will look no different than your real one.

## All-encompassing Sound Dome Tech

Enjoy a realistic gaming experience with AI Sound Booster and Dolby* Atmos.

# 2 Enjoy supreme gaming speed

## Refresh rate

Eliminate lagging and slow gaming with an impressive 165 Hz refresh rate.

## G-Sync compatible

Hyper action made seamless. G-Sync compatibility keeps the GPU and panel synced up to eliminate choppiness, screen-lag, and image tears.

# 3 Feel more in control of your game

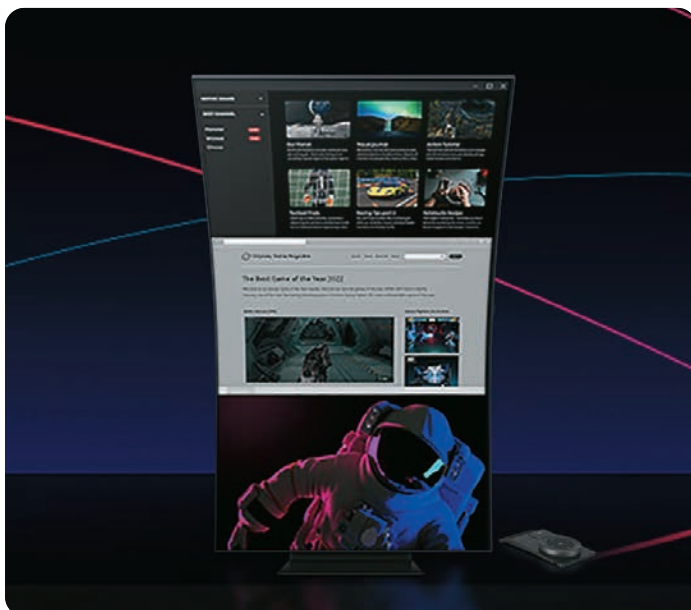

## Cockpit Mode

Turn your screen around in the position you're comfortable playing your game, with the Cockpit Mode.

## Ark Dial

Ark Dial puts the player in full control of Ark, allowing quick and simple access to a variety of functions.

# ❶ Perfect picture quality and performance

## Experience crystal-clear accuracy

Innovative colour technology recreates every scene with real-world accuracy supported by over 1 billion colours and HDR10, on any screen size.

## See greatness from any angle

High quality IPS panel and wide viewing angles deliver more detail, with more pixels.

## Create a limitless workspace

Versatile display inputs from two PCs simultaneously, quick and easy screen splits, and more pixels, let you do more with your space.

Images simulated.

## 2 Maximise comfort, minimise distractions.

### Keep it ergonomic and minimalistic

Borderless design, variety of tilt, swivel, and pivot control points allow you to mount and position your monitor optimally, in any environment.

### Connect everything, create everything

Create a clutter-free workspace by connecting cables and peripherals at multiple ports with Auto Source Switch detecting devices as soon as they're plugged in.

## 3 Go green with efficient energy consumption

### Prioritise energy saving

Preserve up to 10% more energy with globally certified energy saving monitors. Experience amazing picture quality with Eco Saving Plus Mode and enjoy automatic brightness adjustment with Eco Sensor Mode.

**Size:** 81cm (32)
         68.5cm (27)

**Model:** T400 Series
--------------------------------------------
**Size:** 61cm (24)

# 1 Bigger picture, deeper details

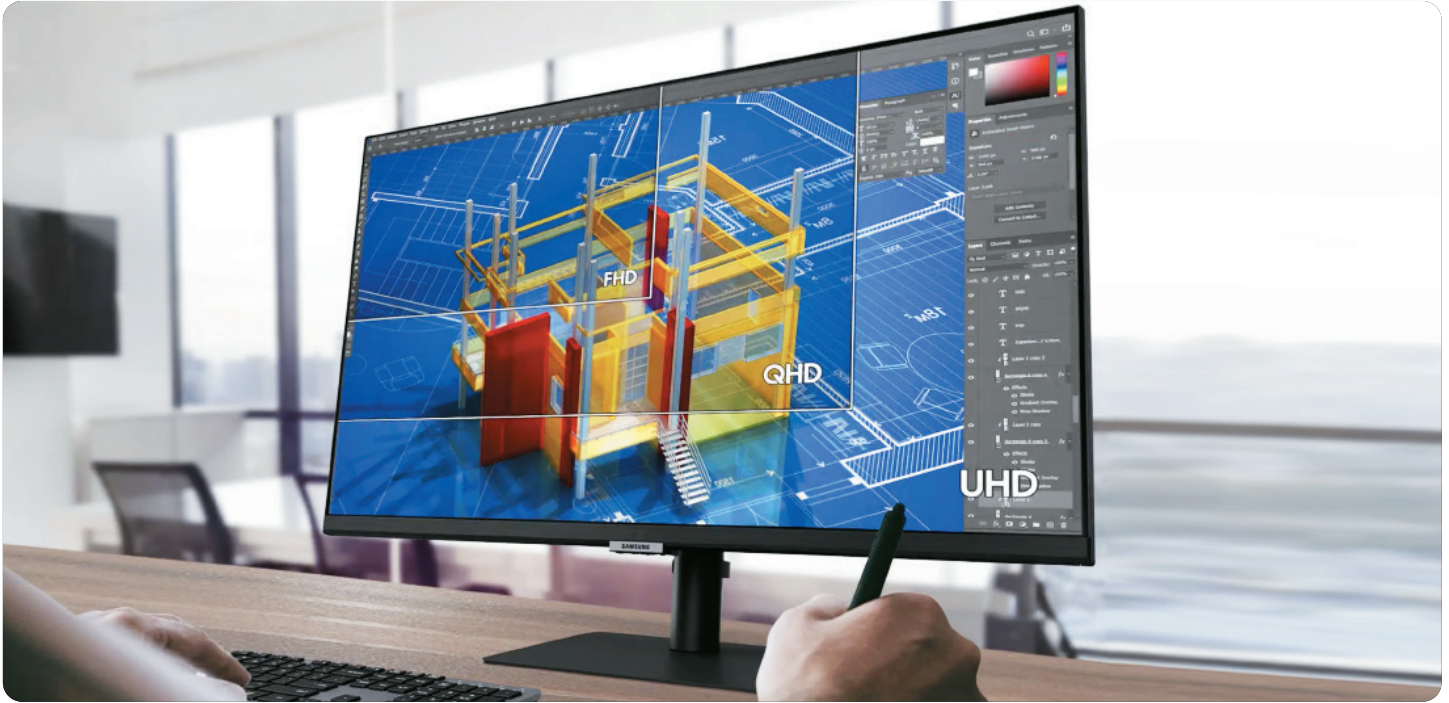

### Reveal every detail

The plentiful pixels of UHD resolution deliver crisper, clearer, sharper texts and images over more screen real estate, reducing eye strain with higher readability to view multiple tools, apps and programs.

# 2 Broaden the boundaries of your performance

### Optimal comfort, minimal distractions

Maximise comfort with borderless design, VESA mount compatibility and a variety of tilt, swivel and pivot control points for your monitor in any environment.

Images simulated.

## Relieve your eyes from strain

Protect your eyes against excessive blue light with Eye Saver Mode certified for intelligent eye care by TUV.

# 3 Connect everything, create everything

## Work stress-free, clutter-free

With a USB type-C port, simply plug devices directly to your monitor and transmit data easily with a clearer, cleaner workspace.

# Flat monitor

# Incredibly slim, Incredibly stylish
